

GIVING PLATE

Practice giving with a cheerful heart.
Make this Giving Plate and share it with
a neighbor or friend.

SUPPLIES:

- * Large, white serving plate
- * Different colored Sharpie™ markers
- * Ingredients for your favorite sweet treat

DIRECTIONS:

1. Write this message somewhere on your plate: Enjoy. Refill. Pass it on.
2. Decorate the rest of the plate with the Sharpie™ markers. Make sure the plate is fun, colorful, and very you!
3. Ask a grown-up to preheat the oven to 350 degrees Fahrenheit (175 degrees Celsius). Bake your plate for 30 minutes to set the marker.
4. While your plate bakes, make your favorite sweet treat to put on the plate. Some great options are cookies, brownies, truffles, or fudge. *Make sure you wash your hands before you bake!
5. Let your plate cool, and add sweet treats. Include a note directing the person receiving your plate to handwash it only, so the marker doesn't get rubbed off. Give away joyfully!
