

# ORIGAMI STARS

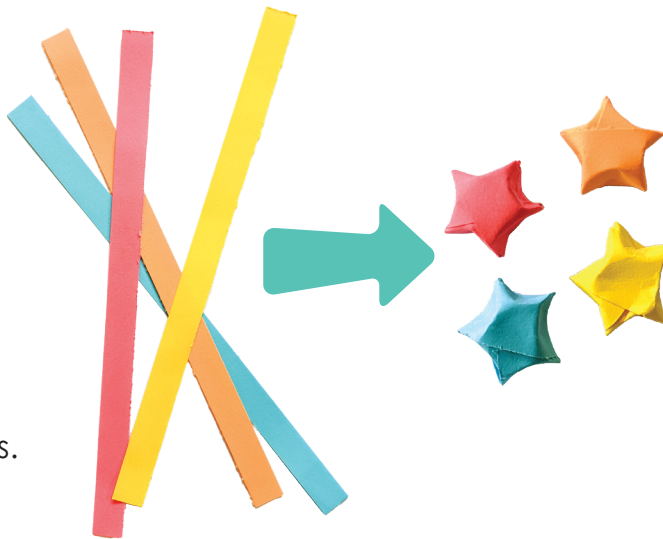

Reach for the stars while making a few of your own! These origami stars are fun, cute, and easy to make.

## SUPPLIES:

- \* Colored paper (not cardstock)
- \* Scissors

## DIRECTIONS:

1. Cut paper into 1 inch (25 mm) wide strips.
2. Fold following the pictures below.

3. Gently squeeze the sides of your origami star to "inflate."

4. All done!
