

THE MOST WONDERFUL TIME OF THE YEAR

Spread love and kindness this holiday season! Use these sweet and simple Christmas gifts to help you. Your friends and family will love them!

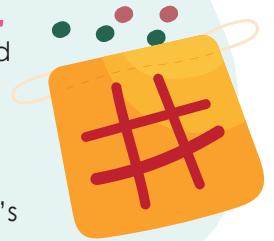

HOT COCOA ORNAMENTS

Fill a clear ball ornament with hot cocoa mix, mini marshmallows, and sprinkles. Tie with a ribbon and a cute tag. You're good to go!

DIY TIC-TAC-TOE

Draw a tic-tac-toe board on the outside of a small canvas bag. Fill the bag with pebbles. Paint the rocks green and red to use instead of X's and O's on the board.

DIY SNOW GLOBES

Glue little Christmas figures or trees to the inside of the lid of a ball jar. Fill the jar with water, sparkles, and fake snow. Put the lid on the jar. Tip upside down and watch it snow!

POP-UP CARD

Need an even easier gift? Make a pop-up card! Fold a piece of paper and cut two slits next to each other on the fold. Then cut a drawing out of paper. Glue it to the folded-out paper between the slits. Write a kind note and you're done!

PINECONE CHRISTMAS TREE

Coat a pinecone in green paint. Decorate with small buttons and jingle bells. Glue to a coaster or fake snow and give to others to help spread Christmas cheer!

HOT COCOA SPOON

Dip a plastic spoon in melted chocolate. Coat in sprinkles, mini chocolate chips, or crushed peppermint. Stir into hot cocoa for a yummy drink.

CHRISTMAS TREE CRAYONS

Fill a Christmas tree ice cube tray or cookie cutter with bits of crayons. Melt in the oven at 350 degrees F (or 175 degrees C) for 5 minutes and let cool. *Make sure you have a grown-up help you with the oven.
